```

```
</html>
```

Output:

The screenshot displays a web browser window with a single tab titled "Registration Form". The address bar shows the file path "C:/Users/Hi/Documents/index.html". The page content is a registration form titled "Registration Form" in bold black text. The form includes the following fields and controls:

- Name :** A text input field containing the value "sasiraj".
- Qualification :** A dropdown menu with "B.Tech" selected.
- Age :** A text input field containing the value "18".
- E-Mail :** A text input field containing the value "sasi@gmail.com".
- Submit**: A button located below the email field.

The browser's taskbar at the bottom shows the Windows search bar, taskbar icons for various applications, and system information including the date (06-11-2022), time (21:17:52), and weather (24°C Mostly clear).
